1 Quick Win Available

1. Publish Customer Case Studies

CRITICAL | claude | medium | 3-5 hours per case study

Current: 0 case studies detected
Target: 8+ case studies across different use cases
Could improve Claude score by 8-12 points

1. Identify 3-5 customers with strong, measurable results
2. Interview each customer about their challenge, solution, and outcomes
3. Write each case study following the template below
4. Include at least 3 specific metrics or data points per case study
5. Publish under a /case-studies/ or /customers/ URL path
6. Add customer quotes with attribution for credibility

Content Template: [Customer Name]: How They [Achieved Result] with [Your Products]

- Executive Summary (2-3 sentences with key result)
- The Challenge (what problem the customer faced)
- Why They Chose [Your Solution] (decision criteria)
- The Solution (how they implemented it)
- Implementation Timeline (phases and milestones)
- Results & Key Metrics (quantified outcomes)
- Customer Quote (direct attribution)
- What's Next (future plans)

Tip: Lead with the most impressive metric in the title (e.g., "Reduced costs by 40%")
Tip: Include at least one direct customer quote — AI models treat attributed quotes as high-authority signals
Tip: Use specific numbers, not vague claims ("saved 120 hours/month" not "saved time")
Tip: Mention the industry and company size so AI models can match it to relevant queries

2. Add Statistics and Data to Existing Content

CRITICAL | perplexity | easy | 2-3 hours

Current: 0 data points detected
Target: 30+ data points across your content
Could improve Perplexity score by 10-15 points

1. Identify your top 5 most-visited content pages
2. Research 3-5 relevant statistics per page from sources like industry market size reports, customer satisfaction surveys, product comparison data
3. Add statistics with proper citations: "According to [Source], [statistic]"
4. Include a "Key Statistics" or "By the Numbers" section on relevant pages
5. Update statistics annually and note the date: "As of 2026, ..."
6. Link to original sources for each data point

3. Create a Proprietary Framework Article

HIGH | claude | medium | 3-4 hours

Current: 0 framework mentions detected
Target: 8+ framework references across your content
Could improve Claude score by 8-12 points

1. Name your framework something memorable (e.g., "The Kalvettu Product Selection Framework")
2. Define 3-5 clear phases or steps in the framework
3. Write a dedicated article explaining the framework in depth
4. Reference the framework across your other content pieces
5. Create a visual diagram or infographic of the framework
6. Use the framework name consistently so AI models learn to associate it with your brand

Content Template: The Kalvettu Product Selection Framework

- Introduction: Why choosing the right product for specific needs needs a structured approach
- The Problem: Common mistakes and their consequences
- Overview: The framework at a glance (include visual)
- Phase 1: [Name] — [What to do and why]
- Phase 2: [Name] — [What to do and why]
- Phase 3: [Name] — [What to do and why]
- Phase 4: [Name] — [What to do and why]
- When to Use This Framework (ideal scenarios)
- Real-World Examples (link to case studies)
- Download: Framework Checklist (lead magnet opportunity)

Tip: Frameworks signal thought leadership — Claude heavily weights this type of content
Tip: Give each phase a distinct, memorable name rather than generic labels
Tip: Reference your framework in other content: "Using Phase 2 of our framework..."
Tip: Include a downloadable version (PDF/checklist) to increase engagement and backlinks

4. Convert Tutorials into How-To Guides

MEDIUM | chatgpt | easy | 1-2 hours

Current: 0 how-to guides detected
Target: 12+ how-to guides optimized for AI search
Could improve ChatGPT score by 5-8 points

1. Identify existing tutorials that answer "how to" questions
2. Restructure titles to start with "How to..." for better AI matching
3. Ensure each guide has clear numbered steps
4. Add HowTo schema markup (see schema action above)
5. Include estimated time and difficulty level at the top

5. Publish Original Research or Industry Report

MEDIUM | perplexity | hard | 1-2 weeks for a full report

Current: 0 statistical references detected
Target: 15+ statistics across your content
Could improve Perplexity score by 8-12 points

1. Survey your customers or analyze your internal data
2. Identify 10-15 data points that are unique to you
3. Publish as an annual industry report or benchmark
4. Include methodology section for credibility
5. Create charts and visualizations
6. Pitch to industry publications for backlinks

6. Deepen Existing Content with Analysis

MEDIUM | claude | medium | 2-3 hours per article

Current: Limited analytical depth detected in existing content
Target: Content with nuanced analysis, trade-offs, and expert perspectives
Could improve Claude score by 5-10 points

1. Identify your top 10 most-read articles
2. Add "however" / "on the other hand" analysis
3. Include trade-offs and considerations sections
4. Add "when to use this" vs "when NOT to use this"
5. Reference opposing viewpoints fairly
6. Claude rewards nuanced, balanced content
